RESCUE MISSION OF TRENTON
ANNUAL REPORT 2013-2014
Working Together to Rebuild Lives
MAJOR ACCOMPLISHMENTS

• On September 13, 2013, the Mission celebrated the opening of the four-story Perry Street Permanent Housing Building at the corner of Perry and Carroll Streets. The project, which provides studio apartments to 15 formerly homeless individuals, would not have been possible without the exemplary cooperation that the Mission received from government at all levels. The project is truly a triumph of collaboration.

• On March 21, 2014, the Mission held its 10th annual Adam Shanks Mission Miniature Golf Tournament. It was by every measure our best event ever – with the largest number of attendees and revenue generated. Despite the success of our signature event and increased support from foundations and area corporations, the Mission is struggling with a deficit caused by a substantial gap between the operating cost of our emergency shelter and funds received from the government for its support. We will be taking necessary actions to reduce this deficit in the coming year.

• On June 17, 2014, Governor Christie again came to the Mission to announce a major policy initiative as he had done in March 2012 when he announced and signed a mandatory drug treatment initiative for non-violent, drug addicted offenders. This time the Governor outlined his intention to expand the Narcan pilot program that equips first responders with the ability to administer life-saving medication that can reverse the effects of heroin overdose.

MESSAGE FROM THE CEO

In 2015 the Rescue Mission of Trenton will celebrate our 100th anniversary. Throughout our 99 year history, the Mission has been there for those who are struggling and have no place else to turn. The Mission endeavors to be a safe haven for the homeless, the hungry, the transient and the addicted – a place where those who are hurting will be treated with respect and dignity no matter how many times they’ve fallen down.

As the above service report and accomplishments demonstrate, we are making a huge difference in the lives of the truly needy. But the benefits of the Rescue Mission of Trenton go way beyond mere numbers. Our true successes are measured in dignity restored, hope rekindled, suffering ameliorated, and lives rebuilt. These successes are counted in the number of people who say, “I don’t know what I would have done if the Mission hadn’t been there.”

To all who make the work of the Mission possible: Thank you.
We thank the following individuals, organizations, and corporations for their generous financial and in-kind support during the past year. We also thank, but do not attempt to list, the countless individuals who donate used clothing and furniture and the churches, businesses and civic organizations that have sponsored clothing drives on behalf of the Rescue Mission of Trenton. Such support is equally important to maintaining our programs.
